

Apartments at the Küstenperle

For those seeking slightly more homely accommodation or who are planning a longer stay, our apartment building (located right next to the hotel) is ideal.

The apartments, measuring between 62 and 84.5m², provide room for 2 to 4 people with one or two bedrooms. The heart of each apartment is a generous living room with lounge and open-plan kitchen, as well as a cosy dining area. You can enjoy the fresh sea air on the balcony or terrace with or without a sea view.

All apartments are equipped with Flat-screen TV in the living and sleeping areas (with at-visions hotel entertainment package, two free Sky channels, Disney Family Channel and a series channel), intercom, desk, safe, hairdryer and walk-in shower/WC in the bathroom, as well as balcony furniture. The kitchens are fully equipped with WMF kitchen utensils, microwave, oven, dishwasher, coffee machine and much more.

Washing machine and tumble dryer are available for use on the ground floor. A lift is available in the building.

Made up beds, towels, Wi-Fi, the final cleaning and parking are included.

From a total stay of 7-13 nights, the holiday flat receives an intermediate cleaning in the time of 9-17:00. From a total stay of 14 nights, cleaning takes place twice during the stay (three times for 21 nights).

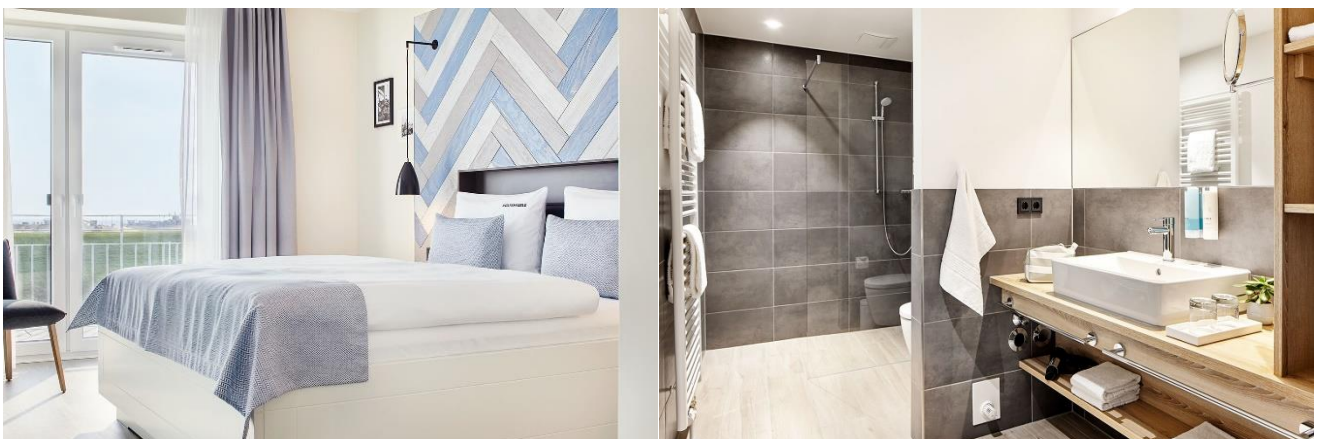

The intermediate cleaning includes a towel change, but no bed linen change and no kitchen cleaning. For stays of more than 14 nights, bed linen is changed once free of charge.
